

1. Purpose

This SOP defines requirements for GxP training assignment, delivery, documentation, and qualification of personnel at Meridian Pharma K.K.

2. Scope

Applies to all employees and contractors performing GxP activities.

Non-GxP professional development is out of scope.

3. Training Requirements

3.1 New Hire Induction

All new GxP staff shall complete GxP induction training within 30 calendar days of start date, and always before independently executing any GxP task. Until then, tasks shall be performed under documented supervision.

3.2 Annual GMP Refresher

All GxP staff shall complete an annual GMP refresher of at least 8 hours per calendar year, including data integrity and good documentation practice.

3.3 Role-Based Curricula

Each role shall have a curriculum defined in the qualification matrix.

The qualification matrix shall be reviewed and re-approved annually by department heads and QA.

4. Training Delivery and Assessment

4.1 Methods

Training may be delivered as read-and-understand, instructor-led, or e-learning. Instructor-led GxP training requires a knowledge assessment with a passing score of at least 80 percent.

4.2 SOP Revision Training

Training on revised documents shall be completed before the effective date, consistent with WI-QA-004 Section 5.3 (minimum 10 business days between approval and effective date).

5. Records

Training records shall be maintained in the validated LMS and retained for at least 10 years per WI-QA-004. Paper certificates shall be scanned into the LMS within 5 business days of training completion.

6. Overdue Training

Training overdue by more than 30 calendar days shall be reported to the department head; overdue safety-critical training shall suspend the individual's authorization for the affected task and shall be recorded as a deviation per SOP-QA-001.
